SIERRA MADRE, LOS ANGELES COUNTY, CALIFORNIA, FRIDAY, JULY 9, 1909.

NO. 40.

NEW SIERRA MADRE WOMAN'S CLUB HOUSE

HOUSE WARMING AT CLUB HOME

**Woman's Club Opens New Club House
With Brilliant Social Event—Build-
ing a Surprise in Its Completeness**

Of all social events in the history of Sierra Madre few have surpassed the opening of the Woman's Club House last Friday evening in importance or brilliance. Guests to the number of nearly two hundred assembled for the occasion and the enjoyment afforded was on a par with the importance of the event to the community.

From the arrival of the first guest to the close of the last dance there was not a dull moment. Entertainment enough had been provided by the ladies to fill one evening, had there not been the added pleasure of inspecting the new home of the Woman's Club. The concert program rendered by DeNubila's orchestra was all too brief. Each number was received with enthusiastic applause, especially the solo played by request by Prof. DeNubila, one of the most talented young violinists on the coast. Mr. Frank Hart ably represented local musical circles with a piano number and encore.

Following the concert program and intermission came the dance. Music was furnished by the same orchestra. Card tables were arranged in the parlors for those who preferred that form of amusement. For those who cared for neither there was ample room in the spacious parlors and corridors which were thrown into one room with the big auditorium, or on the verandas, where the delightful music of the orchestra could be heard.

Throughout the evening punch was served in the rear parlor. And during the dance program a two-course luncheon was served on the rear of the stage, which had been transformed into an attractive bower for the pur-

pose, from which a fine view of the auditorium and parlors could be enjoyed. All the refreshments were in charge of a capable Los Angeles caterer and were very delightful.

The ladies of the ways and means committee of the Woman's Club who had the affair in charge had labored arduously to make everything pleasant for their guests and success was theirs in a remarkable measure. For assistance in the floral decorations they were indebted to Mr. I. N. Ward, who contributed generously from his nurseries. Huge American flags formed beautiful and appropriate draperies for the stage.

Features of the Building

For those who had not been conversant with the plans or progress of the building operations the new club home held a great surprise in store. It would be difficult to conceive a building more better suited to the needs of the club. And not only is it a building of which the club may be proud, but one of the finest improvements that could come to Sierra Madre. Its beautiful exterior and more beautiful interior have been the subject of most favorable comment on all sides.

In it are provided an auditorium capable of seating from 400 to 600 persons, by opening up parlors and corridors, and available for public gatherings of all kinds; a place for social affairs on almost any scale desired; a finely appointed lodge room for the use of the Masonic and other fraternal orders; as well as a home for the organization which has brought it into being. It has been freely remarked that no other organization in the city could have accomplished what has been accomplished by the ladies, none other being in a position to make the plea to all classes of people for support in the enterprise as could the ladies.

Of course the auditorium is the central feature of the building, occupying

most of the first floor. Entering the hospitable front door of the building, one finds a wide corridor. Sliding and folding doors opposite the entrance open into the rear of the auditorium. On the right of the entrance is the gentlemen's coat room and toilet, while on the left is the ladies' retiring room.

At the east end of the corridor are folding and sliding doors opening into the parlor. Along the east side of the auditorium are the rear parlor and kitchen, the former opening into the auditorium by means of the same kind of doors as the corridor, so that corridor and parlors may be thrown practically into one room with the auditorium. A feature of the parlor is the big brick fire place in the center of the north wall.

The kitchen is finely appointed, with sink, abundance of cupboard room and every convenience one could wish at home, together with ample space.

Lodge Room Corridor

At the west end of the main corridor is another corridor, with entrance from the side porch. In this corridor is the stairway leading to the lodge room on the second floor, which is thus afforded an entrance independent of the auditorium and parlor entrance.

All of the first floor is covered with fine hard maple, finely polished. The auditorium is well lighted by day by means of well-placed windows which make it also very airy. Night illumination is furnished by single electric lamps around the walls and by four clusters with overhead reflectors which prevent loss of light on the dark stained wood ceiling.

The stage of the auditorium is spacious and can be seen well from any part of the auditorium and parlors. Dressing rooms are provided on both sides of the stage with two doors on each side. Excellent facilities will be

(Continued on page 8)

MRS. WHITWORTH PASSES AWAY

**Well Known Resident of Mountain
Trail Avenue Goes to Her Reward
After Long Period of Suffering**

Funeral services over the remains of Mrs. Edith May Whitworth who passed away early Tuesday morning were held at the home yesterday afternoon. A large concourse of friends paid their last respects to her memory. The remains were taken to San Francisco for interment.

Mrs. Whitworth was thirty-nine years of age and a native of Windsor, Conn. She had been a resident of California twenty-two years. She was the widow of J. M. Whitworth, a well known lawyer of San Francisco, who was a son of Dr. Whitworth, founder of Whitworth college.

Mrs. Whitworth came to Sierra Madre five years ago, a few years after the death of her husband. When physically able she was an active and interested church worker. She was very highly esteemed and, although an invalid, her influence was pervasively felt. For about three years she had been confined to her home, and many friends had in that time duplicated the experience related by her pastor at the funeral service when he said that often he had visited her for the purpose of carrying comfort and had himself found comfort.

The funeral services conducted by Rev. Dr. J. M. Campbell were brief and appropriate. Floral offerings were numerous and very beautiful. Burial will be beside the husband of the deceased, in San Francisco.

The two orphaned boys left by Mrs. Whitworth will remain in Sierra Madre in charge of Miss Gertrude Kellogg, a sister of Mrs. Whitworth. The old home at Grand View and Mountain Trail avenues will be kept up. Miss Scott, an old friend of the family and Mrs. Whitworth's nurse, will assist Miss Kellogg in her home duties.

CALL FOR VOLUNTEERS

Men wishing or willing to assist in the organization of a volunteer fire department are requested to meet at the City Hall next Tuesday evening, July 13, at 7:30. A meeting has been called for the purpose by the Board of Trade committee having the matter in charge. It is hoped that the number present and the interest in the project will warrant the forming of a permanent organization at that time. It is probable that officers will be elected and rules adopted for the government of the department.

The importance of such an organization as the one contemplated can hardly be overestimated. It will necessarily be a thing of small beginnings, so far as apparatus is concerned. But the city fathers have it in mind to provide apparatus as soon as the state of the city treasury will warrant. Meanwhile it is important that a working organization be formed.

It is probable that the activities of the department will be largely social for a time, as an inducement to hold the members together. Everything must have a beginning, and the problems of the local situation will be worked out as may be possible from time to time.

Come out and give the volunteer fire department a boost.

Notice of Street Work

NOTICE IS HEREBY GIVEN, that on the 24th day of June, A. D. 1909 the Board of Trustees of the City of Sierra Madre adopted an Ordinance declaring its intention to improve a portion of Central Avenue in said City of Sierra Madre in the manner following to-wit:

First: That said Central avenue from the west curb line of Canon avenue on the west to a point 1,965.5 feet east of the west curb line of Canon avenue on the east, including all intersections, (except such portions of said street and intersections as are required by law to be kept in order or repair by any person or company having railroad tracks thereon, and also except such portions of said street and intersections as have already been graded to the official line and grade and accepted by said city), be graded in accordance with the plans and profiles for such work on file in the office of the City Engineer of said city, and city specifications for the grading of streets on file in the office of the City Clerk of said city, said specifications being numbered 10.

Second: That said Central avenue from the west curb line of Canon avenue on the west to a point 1,340 feet east of the west curb line of Canon avenue on the east, including all intersections, (except such portions of said street and intersections as are required by law to be kept in order or repair by any person or company having railroad tracks thereon, and also except such portions of said street and intersections as have already been oiled according to specifications and accepted by said city), be oiled in accordance with the plans and profiles for such work on file in the office of the City Engineer of said city, and city specifications for the oiling of streets on file in the office of the City Clerk of said city, said specifications being numbered 10.

Third: That said Central avenue from a point 1,340 feet east of the west curb line of Canon avenue on the west to a point 1,965.5 feet east of the west curb line of Canon avenue on the east, including all intersections, (except such portions of said street and intersections as are required by law to be kept in order or repair by any person or company having railroad tracks thereon, and also except such portions of said street and intersections as have already been oiled according to specifications and accepted by said city), be oiled in accordance with plans and specifications for such work on file in the office of the City Engineer of said city, and city specifications for the oiling of streets on file in the office of the City Clerk of said city, said specifications being numbered 11.

Fourth: That a cement curb eighteen (18) inches in height be constructed along the south side of said Central avenue from a point opposite the west property line of Canon avenue on the west to a point 1,315 feet east thereof on the east, (except along such portions of said south side of said street between said termini where a cement curb has been constructed to the official line and grade and accepted by said city), in accordance with the plans and specifications for such work on file in the office of the City Engineer of said city, and city specifications for the construction of cement curbs on file in the office of the City Clerk of said city, said specifications being numbered 2.

Fifth: That a cement curb twenty-four (24) inches in height be constructed along the north side of said

First National Bank

Brief Items of Interest

G. A. Peterson and family spent the
Fourth at Redondo Beach.

Paul Stecher of Ogden, Utah, is a
guest this week at the Howard Hill
home.

Miss Marjorie Rice of Long Beach
was the guest last week of Miss Dor-
othy Brown.

Mrs. Cabot Yerxa entertained the
Modern Priscillas yesterday afternoon
at Arbalita Ranch.

Mr. and Mrs. M. D. Welsher are en-
tertaining their cousins, Mr. and Mrs.
Jones, of Flint, Mich.

Mr. and Mrs. E. N. Mead and daugh-
ter have taken a house at Redondo
Beach for the remainder of the season.

Mr. and Mrs. Robert Mahar left on
Tuesday for Hollywood, where they
will remain a short time at Hotel
Hollywood.

H. E. Churchill had so far recovered
from his siege of poison oak infection
as to be able to leave for the north
last Monday evening.

Mrs. Frank Wright entertained at
dinner on Friday evening of last week,
the guests being Mrs. C. R. Street,
Misses Eleanor Campbell, Carpenter,
Winds, Merrell.

Through the courtesy of Miss
Frances Hawks the News office force
on Wednesday enjoyed a basket of
large and particularly delicious apri-
cots which, needless to say, were
greatly appreciated.

The Jansen home on Highland ave-
nue is under quarantine, three cases
of diphtheria having developed there.
Miss Anna Jansen and two of the
younger children are the sufferers and
are under the care of a nurse.

Malcolm Baldrige, son of the Hon.
Howard H. Baldrige of Omaha, Ne-
braska, is visiting his aunt, Miss Annis
E. Coffey of LaBelle avenue. He will
spend the summer in Sierra Madre
while his parents are traveling in
Europe.

The members of the Woman's Club
will be "at home" to their friends from
3 until 5 o'clock upon the afternoon
of Tuesday, July 20th, at the new club
house. Hostesses for the afternoon,
Mrs. E. H. Kuhn and Mrs. Chas. Hall
Perry.

On Tuesday last the members of the
Aeolian orchestra and guests spent a
most delightful evening at the home of
Mrs. Forbes and her daughters on
South Grand avenue, Los Angeles.
The Misses Forbes, with Prof. and Mrs.
DeLano, rendered several beautiful
musical selections. Add to this pleas-
ant games and refreshments for a
glimpse of the happy time spent.

Two well known and popular young
people have been kept busy this week
answering questions and turning down
congratulations because of their re-
ported marriage, said to have taken
place in Riverside last week. The re-
port seems to have been started as a
result of a little joke perpetrated by
one of the parties concerned, which
should make it easy to fix the blame
for their embarrassment.

Leigh Smith made a flying trip to
Los Angeles this morning to make final
arrangements for the Sierra Madre
entry in the Elks' parade. The entry
will be an old stage coach, four burros
packed, four riders on burros, and ten
or fifteen outriders on horseback. This
old stage ran between Santa Barbara
and Los Olivas, and was owned and
operated by the Pacific Coast Stage
Co., and carried mail. This route was
considered one of the roughest in the
country. The coach is now owned by
Mrs. Elizabeth Borglum, having been
purchased by her husband to be used
as a model for a painting which is now
hanging in Stanford University.

Mr. Arthur Lyon of Pasadena was a
guest at the Humphries home on Sun-
day.

Joseph L. Crouch of Oceanside is
visiting George Humphries at Pied-
mont House.

Mrs. Bolton of Highland Park is a
guest at the Davis home on Grandin
avenue this week.

Miss Anna Luckey of Pasadena is
staying with Mrs. H. H. Lund at El
Reposo for a time.

Miss Elsie Caskey spent the week
end and holiday season with the Mead
family at Redondo Beach.

Mr. and Mrs. H. A. Darling are re-
siding in Sierra Madre for a while,
having taken the Bowen cottage on
Auburn avenue.

Mrs. C. H. Baker entertained Mmes.
Frank Wright, C. W. Wilson and
Walker at her Hermosa Beach cottage
yesterday.

Fred Salsbury, Fred Westoff and
Victor Hill, accompanied by Harry
George of Los Angeles, went to the
West Fork Monday morning to put in
a week at fishing.

B. H. Andrews and daughter, Miss
Sarah Andrews, of Modesto, arrived
last week for a visit at the home of
W. S. Andrews. Miss Andrews will
spend the summer here.

Miss Etta M. Dickson attended on
Tuesday the early morning wedding of
one of her co-workers, Miss Mary
Maitland, to Mr. John Cullinan. The
ceremony was performed at St. Vibi-
ana's cathedral, Los Angeles.

Friends of Van L. Graham, whose
marriage was mentioned recently in
the News, will be interested to know
that he is at present engaged as man-
ager of the Spencer Hardware Co., at
Outlook, Washington.

Mrs. C. H. Baker and the children
left last Saturday for Hermosa Beach,
where they will spend the summer,
having taken a cottage at Ocean Front
and Avenue 16. Mr. Baker left on
Saturday for Seattle where he will
visit the exposition.

Mrs. Frances Atwood left last week
for her home in Philadelphia after
spending three weeks with Miss Annis
B. Coffey. Friends of Mrs. Atwood,
who has resided in Southern California
several years, are hoping that she
will not decide to remain in the east.
She travels by way of the Canadian
Pacific and will visit the Yosemite
National Park on the way north.

A. S. Mead reports the sale of lot 17,
Victoria Place, Harry Mason of Mon-
rovia to John G. Slayton, who will
build immediately; also the sale of lot
26, Valley View tract, M. H. Bridle to
Miss Elizabeth Miller, who also will
build.

GIFFORD-LAWS

Friends in Sierra Madre have re-
ceived announcements worded as fol-
lows: "Mrs. Edward Weed Lewis an-
nounces the marriage of her niece,
Miss Henrietta Adele Gifford, to Mr.
Rowland Dudley Laws on Thursday,
the twenty-fourth of June, one thou-
sand nine hundred and nine, Los An-
geles, California." Enclosed cards
read: "Mr. and Mrs. Rowland Dudley
Laws will be at home after the first
of August, Sixteen twenty, Mission
street, South Pasadena." Both young
people are well and favorably known
in Sierra Madre. Miss Gifford taught
in the public schools here for several
years, having held a position in San
Bernardino during the past year. She
was justly popular and was regarded
as a very estimable and capable young
lady. Mr. Laws also resided here for a
time and was highly regarded by all
who knew him.

FRIDAY, JULY 9, 1909.

CAMP RAIDERS ARRESTED

Four young outlaws have been taken into custody for plundering the camp of the Sierra Madre Outing Club in the West Fork soon after the opening of the fishing season. The boys are Homer Douglas, Noel Smith and Arthur Mitchell of South Pasadena and B. Malcolmson of North Pasadena. They were arrested Wednesday by Constable Austin on information filed by Greer Caskey and Carl Pegler, bound over to the superior court, and are due to appear before Judge Wilbur today.

While the plundering of the club's cabin has been known since the middle of June the matter has been hushed as far as possible to prevent the culprits from in any way covering their tracks. The club members got busy as soon as the loss of supplies and damage to the cabin were discovered and have done their own detective work on the case. Information leading to the arrest was gathered principally from other persons who were fishing in the West Fork at the time the boys were living high on their stolen provisions.

The whole affair well illustrates the result which can always be expected when otherwise good boys get into the wrong kind of company. Douglas and Malcolmson have always borne good reputations and have never been in trouble before. But Smith is an old offender, having been arrested for stealing several times. According to the statement of the other boys, he was the leader in the pillaging and refused to take back to the cabin supplies which they did not need, though urged to do so by his companions.

The loss to the club members is between \$50 and \$100. Large quantities of canned goods and other supplies were removed from the cabin, other supplies were destroyed and scattered about the floor, fishing tackle, blankets, a surgical kit and other valuable articles were appropriated. Besides breaking into the cabin the boys took a pick and smashed the lockers of the individual members in their search for booty. The club members would like to see Douglas and Malcolmson paroled, but will urge severe punishment for the more culpable boys.

ALLOWED FIRE TO SPREAD

Fire Warden George Crowe arrested Alexander Johnson on Monday for violation of the city ordinance which prohibits the allowing of a fire to spread in grass or weeds within ten feet of the boundary of the lot on which the fire started. Johnson, who was clearing off a lot in Monte Lalo tract without having taken proper precautions, was caught in the act by Mr. Crowe. On being brought before the city recorder he plead guilty and was assessed \$5 and costs, which was paid by Mrs. Darling, on whose lot the fire had been started.

There was a young woman named Wemyss
Who complained of her terrible dremys;

When they called in the doctor
Conceive how it shocor,
When he said: "You have chocolate cremys." —Regina Standard.

Notice Inviting Sealed Proposals

Pursuant to statutes and to Ordinance No. 97 of the Board of Trustees of the City of Sierra Madre, adopted June 24, 1909, directing this notice, the undersigned will receive and invites, at his office in the City Hall of the city of Sierra Madre, up to 8 o'clock p. m. of the 22nd day of July, 1909, sealed proposals or bids for the following street work to be done in said city of Sierra Madre, to-wit:

First. For the grading and oiling of Highland Avenue from the westerly property line of Baldwin Avenue on the east to the intersection of Sierra Madre Avenue on the west, including all intersection, (except such portions of said street and intersections as are required by law to be kept in order or repair by any person or company having railroad tracks thereon, and also except such portions of said street and intersections as have already been graded to the official line and grade, oiled and accepted by said city,) in accordance with the plans and profiles for such work on file in the office of the City Engineer of said city, and city specifications for the grading and oiling of streets on file in the office of the City Clerk of said city, said specifications being numbered 10.

Second. For the construction of a cement curb along both sides of said Highland Avenue from the east curb line of Sierra Madre Avenue on the west to the west property line of Baldwin Avenue on the east, (except along such portions of said street between said intersections where a cement curb has been constructed to line and grade and accepted by said city,) in accordance with the plans and profiles for such work on file in the office of the City Engineer of said city, and city specifications for the construction of cement curbs on file in the office of the City Clerk of said city, said specifications being numbered 2.

Third. For the construction of a cement gutter two and one-half (2½) feet in width along the northerly side of said Highland Avenue from the east curb line of Sierra Madre Avenue on the west to the west property line of Baldwin Avenue on the east, (except along such portions of the said northerly side of said street where a cement gutter two and one-half (2½) feet in width has been constructed to the official line and grade and accepted by said city,) in accordance with the plans and profiles for such work on file in the office of the City Engineer of said city, and city specifications for the construction of cement gutters on file in the office of the City Clerk of said city, said specifications being numbered 8.

Fourth. For the construction of a cement gutter two and one-half (2½) feet in width along the southerly side of said Highland Avenue from the east curb line of Sierra Madre Avenue on the west to a point thirty (30) feet east of Auburn Avenue on the east, (except along such portions of said southerly side of said street where a cement gutter two and one-half (2½) feet in width has been constructed to the official line and grade and accepted by said city,) in accordance with the plans and profiles for such work on file in the office of the City Engineer of said city, and city specifications for the construction of cement gutters on file in the office of the City Clerk of said city, said specifications being numbered 8.

"Greatest Electric Railway System in the World"

THE PACIFIC ELECTRIC RAILWAY

THERE IS ONLY ONE WAY

To Reach the Principal Cities and Towns, Mountain and Seashore
Resorts of Southern California

Information and literature regarding the great Mt. Lowe trip, beach resorts and other points of local interest from local agents, or Passenger Dept., Room 296 Pacific Electric Bldg., Los Angeles, Cal.

Fifth. For the construction of a cement gutter five (5) feet in width along the southerly side of said Highland Avenue from a point fifty (50) feet east of Auburn Avenue on the west to the west property line of Baldwin Avenue on the east, (except along such portions of said southerly side of said street where a cement gutter five (5) feet in width has been constructed to the official line and grade and accepted by said city,) in accordance with the plans and profiles for such work on file in the office of the City Engineer of said city, and city specifications for the construction of cement gutters on file in the office of the City Clerk of said city, said specifications being numbered 8.

Sixth. For the construction of cement concrete culverts along and across said Highland Avenue between said termini where shown on the plans and profiles for such work and in accordance with the number of the plan designated thereon and in accordance with city specifications for the constructions of cement concrete culverts on file in the office of the City Clerk of said City, said specifications being numbered 9.

Seventh. For the construction of cement swales along and across said Highland Avenue, between said termini, at such places and of such dimensions as are shown on the plans and profiles for such work on file in the office of the City Engineer of said City of Sierra Madre, and in accordance with city specifications No. 7 on file in the office of the City Clerk of said city.

The said Board of Trustees of the City of Sierra Madre finds, upon estimates of the City Engineer of said city, that the cost of said proposed work or improvement will be greater than fifty (50) cents per front foot along each line of the said street so proposed to be improved as hereinbefore set forth, including the cost of intersection work assessable upon said frontage, and said Board of Trustees determines that serial bonds shall be issued to represent the cost of said work or improvement; said serial bonds shall extend over a period ending nine years from and after the second day of January next succeeding the date of said bonds, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after their date until the whole is paid; and the interest shall be payable semi-annually by coupon on the second days of January and July, respectively, of each year at the rate of seven (7) per cent per annum on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued in accordance with the provisions of an Act of the Legislature of the State of California entitled "An Act to provide a system of street improvement bonds to represent certain assessments for the cost of street work and improvement within municipalities, and also for the payment of such bonds," approved February 27, 1893, and of all acts supplementary thereto or amendatory thereof.

Bidders must file with each proposal or bid a check payable to the order of the President of the Board of Trustees, certified by a responsible bank, for an amount which shall not be less than ten percent of the aggregate of the proposals, or bond for the said amount, and so payable, signed by the bidder and two sureties, who shall justify before any officer competent to administer an oath, in double the said amount, and over and above all statutory exemptions
Sierra Madre, Cal., July 9, 1909.

Notice of Street Work

NOTICE IS HEREBY GIVEN, that on the 17th day of June, A. D. 1909, the Board of Trustees of the City of Sierra Madre adopted an Ordinance declaring its intention to improve a portion of Hermosa Avenue in said City of Sierra Madre in the manner following to-wit: that a cement box culvert be constructed across said Hermosa avenue of the size and dimensions and where shown on the plans and profiles of such work, and in accordance with said plans and profiles on file in the office of the city engineer of said city, and according to plan number 23 for the construction of cement box culverts and specifications for the construction of cement box culverts on file in the office of the city clerk of said city, said specifications being numbered 9.

That said Ordinance provides as follows, to-wit:

That in the opinion of the said board of trustees of the City of Sierra Madre the said proposed work or improvement is of more than local or ordinary public benefit, and that the district of land that will be affected or benefited by said work or improvement, and to be assessed to pay the cost and expense therefor, and to be known as the assessment district, is hereby fixed and declared to be the following:

Commencing at the north property line of Highland avenue on Hermosa avenue and extending north along the east and west sides of Hermosa avenue to the south property line of Grand View avenue; also commencing at a point on the north property line of Grand View avenue 100 feet west of the west line of the Blumer Tract, thence extending east on the north property line of Grand View avenue 200 feet.

And which said ordinance is known and designated as Ordinance No. 95 of Ordinances of said City, to which said Ordinance reference is made for further particulars.

F. C. LEHMER,
Superintendent of Streets for the City of Sierra Madre.

Sierra Madre, Cal., July 3, 1909

CITY TRUSTEES MEET

City fathers met in regular session last evening. Ordinance No. 102 establishing grades on Wilden street was adopted. A petition of Auburn avenue property owners protesting against removing trees was presented and referred to the Park Commission. A communication from Wilden street property owners was presented, asking for a 12-foot park way. A communication was received from El Reposo Sanitarium regarding the district restricted for tubercular or other sanitariums. The city attorney was instructed to prepare an amendment to the ordinance regulating the same. The city attorney was instructed to draft an ordinance requiring permits for setting fires north of Grand View avenue. A proposition from C. S. S. Forney regarding the gas plant bonds was read, which the city clerk was ordered to turn down. The matter of fire protection was discussed in a way that presaged "something doing" along that line before long.

City Man—I wonder if Adam had any regrets when he left the Garden of Eden? Urbanite—It's safe that he didn't if he tried to raise his own vegetables.—Chicago News.

Don't forget to phone the News when you know an item of interest.

BOARD OF TRADE MEETING

Board of Trade meets in regular session next Monday evening. The committee on public library has been at work and will probably have something to report on the proposition to make the free public library a municipal affair. The committee on volunteer fire department may also have something to report, as well as one or two other special committees appointed at the last meeting. Vice-President Graham has announced his committee authorized at the last meeting to confer with the water company trustees and city trustees regarding converting the water company into a municipal enterprise. The members are as follows: J. W. Keys, chairman, J. C. Dickson, C. S. Kersting, J. D. Mackerras, C. J. Pegler, W. A. Evans, J. H. Wright.

AYLES HOME BURNS

Sierra Madre friends were greatly distressed to learn of the loss by fire of the fine home of the Misses Ayles of Long Beach, formerly residents of Sierra Madre. The house was totally destroyed early Tuesday morning. No one was in the house at the time and no one seems to know how the fire started. One theory has it that tramps were responsible for the fire. At the time of the fire the Misses Ayles were absent in the northern part of the state, having gone to Alameda to attend the wedding of Mr. Dudley Gresham which took place June 26. The Misses Ayles were sisters of Mrs. A. E. Gresham, also a former resident of Sierra Madre.

RECORDER'S COURT IN OPERATION

This has been the city recorder's busy week, more cases having been brought since Sunday than during the entire previous history of the city. On Sunday morning Marshal Lehmer filed information against Leonard Tucker, Dale Bowen, Gail Williams, W. C. Brockhausen, Roy Bowen and Ray Bravinder, charging them with disturbing the peace. The offence alleged was the placing of explosives on the Pacific Electric tracks shortly before the arrival of the midnight car Saturday night. If reports may be believed, the explosions which followed were heard by nearly every one in town. Upon the filing of the information warrants were issued and the sextet brought before the recorder who released them upon the furnishing of bail. Hearing was set for Tuesday and later postponed till Wednesday at 10 o'clock. Judge Merriam had been secured to represent the defendants while City Attorney Madden appeared for the state. The case of Gail Williams was called first. A demurrer against the complaints being disallowed, a plea of not guilty was entered. Neither side being ready for trial, the case was continued till Wednesday, July 21. Notice was given by Attorney Merriam that a jury trial would be required. Similar pleas and similar action were taken in each case.

AT THE THEATERS

Belasco

Elks' week at the Belasco Theatre will be celebrated with another week of Hoyt's "A Day and a Night in New York." Nothing that the Belasco players have offered for a long time has met with such unanimous approval as has this three act frivolity from the pen of the famous writer of stage fun. Tuesday and Wednesday nights' performances have been reserved by the Executive Committee of the Elks' Grand Lodge Reunion for the exclusive use of the local and visiting Elks. On these two nights there will be no

tickets sold to the public.

Following the week's performance of A Day and a Night in New York, the Belasco company will give George Ade's rollicking comedy success, The College Widow in which Miss Helen Holmes, who will play the feminine leads at the Belasco Theatre during the summer months will be seen for the first time, in the name part, with Richard Bennett as Billie Bolton, the football halfback, and the rest of the Belasco company in the contributory roles.

Grand

The favorite Princess Theatre company of San Francisco will move to the Grand Opera House for a special engagement there during Elks' week. During their recent brief season at the Mason this excellent musical comedy organization has won to itself a host of friends and admirers in Los Angeles, and the announcement that they are to remain in our midst for an additional week will be met with unstinted praise. The play to be offered during the week at the Grand is The Rounders, a musical comedy from the pen of Harry B. Smith, America's foremost librettist and Ludwig Englander, the famous composer. It was the vehicle used for the opening of the Princess season in San Francisco and ran at the home theatre for three weeks to capacity business.

The second half of the week will see a revival of The Umpire, Fred Mace's great hit, which scored such a big triumph at the Mason.

ORDINANCE NO. 102

An Ordinance of the Board of Trustees of the City of Sierra Madre, California, to Establish the Grade upon Certain Portions of Wilden Street, in the City of Sierra Madre, California.

The Board of Trustees of the City of Sierra Madre do ordain as follows:—

Section 1. That the grade on the several avenues mentioned here below be, and the same are hereby established and adopted as per field notes, figures given and profiles made for the same and on file in the office of the City Engineer of the City of Sierra Madre, and the said grades are hereby made the authorized and official grades upon said avenues, to-wit:—

WILDEN STREET

At the conjunction of Wilden street and Central avenue.

Center and on north property line of Central avenue 856.60 feet
N. W. Cor. 857.20 feet
N. E. Cor. 856.00 feet

At the intersection of Wilden street and Grandin avenue,

Center on south property line of Grandin Ave. 882.35 feet

S. W. Cor. 882.60 feet
S. E. Cor. 882.10 feet
N. E. Cor. 883.60 feet
N. W. Cor. 884.10 feet

Center and on North property line of Grandin Avenue, 883.85 feet

At the conjunction of Wilden street and Highland Avenue,

Center on the south property line of Highland Avenue 910.25 feet

S. W. Cor. 912.00 feet
S. E. Cor. 911.00 feet

The above elevations of grades given are above or below a bench mark, a cross in the curb at the northwest corner of Baldwin and Central avenues in the City of Sierra Madre, the elevation of which is 824.19 feet.

Section 2. The City Clerk shall certify to the adoption of this ordinance and shall cause the same to be published once in the Sierra Madre News, a weekly newspaper published and circulated in the said City of Sierra Madre and hereby designated for that purpose, and thereupon and thereafter

it shall take effect and be in force.

The foregoing ordinance was adopted at a regular meeting of the Board of Trustees of the City of Sierra Madre, held on the 8th day of July, A. D. 1909, by the affirmative vote of at least three Trustees, to-wit:

Ayes: Messrs. Graham, Hosmer, Steinberger and Jones.

Noes: None.

Absent: Trustee Pegler.

And signed and approved this 8th day of July, A. D. 1909.

C. W. JONES,
President of the Board of Trustees.
J. A. MADDEN,
(Seal) City Clerk.

Mr. and Mrs. W. J. Lawless started this week on a business trip to Europe. They will be absent several months.

The guests of the Hotel Seerra Madre are being especially favored with singing by Mrs. Grace Bastable of New York City who is stopping there at present. She has consented to sing a solo at the Sunday morning service of the Christian Science Society in their new meeting place, the Woman's Club House.

Mr. and Mrs. G. H. Letteau have gone to Seattle and will continue their travels through Canada, being absent several months.

The Sierra Madre Hotel under the new management of Mr. and Mrs. J. D. Brown has proven beyond a doubt the necessity of a new and modern hotel here, both as a winter and as a summer resort. For the past few weeks the rooms have all been occupied by guests who are unanimous in their praise of Sierra Madre as an ideal place to spend a portion of the summer as well as the winter. It is undoubtedly true that a modern hotel with three times the capacity of the Sierra Madre Hotel could be filled to overflowing.

Notice Inviting Sealed Proposals

Pursuant to statutes and to Ordinance No. 94 of the Board of Trustees of the City of Sierra Madre, adopted June 17, 1909, directing this notice, the undersigned will receive and invites, at his office in the City Hall of the city of Sierra Madre, up to 8 o'clock p. m. of the 10th day of July, 1909, sealed proposals or bids for the following street work to be done in said city of Sierra Madre, to-wit:

First. For the grading and oiling of Auburn avenue from the northerly property line of Central avenue on the south to the intersection of Carter avenue on the north, including all intersections, (except such portions of said street and intersections as are required by law to be kept in order or repair by any person or company having railroad tracks thereon, and also except such portions of said street and intersections as have already been graded to the official line and grade, oiled and accepted by said city,) in accordance with the plans and profiles for such work on file in the office of the City Engineer of said city, and city specifications for the grading and oiling of streets on file in the office of the City Clerk of said city, said specifications being numbered 10.

Second. For the construction of a cement curb along both sides of said Auburn avenue from the north property line of Central avenue on the south to the south curb line of Carter avenue on the north, (except along such portions of said street between said intersections, where a cement curb has been constructed to line and grade and accepted by said city,) in accordance with the plans and profiles for such work on file in the office of the City Engineer of said city, and city specifications for the construction of cement curbs on file in the office of the City Clerk of said city, said specifications being numbered 2.

Third. For the construction of a cement gutter two and one-half (2½) feet in width along the easterly side of said Auburn avenue from the north curb line of Central avenue on the south to the south curb line of Highland avenue on the north, (except along such portions of said easterly side of said street where a cement gutter two and one-half (2½) feet in width has been constructed to the official line and grade and accepted by said city,) in accordance with the plans and profiles for such work on file in the office of the City Engineer of said city, and city specifications for the construction of cement gutters on file in the office of the City Clerk of said city, said specifications being numbered 8.

Fourth. For the construction of a cement gutter two and one-half (2½) feet in width along the westerly side of said Auburn avenue from the north curb line of Central avenue on the south to a point two hundred feet (200) north of the north property line of Highland avenue on the north, (except along such portions of said westerly side of said street where a cement gutter two and one-half (2½) feet in width has been constructed to the official line and grade and accepted by said city,) in accordance with the plans and profiles for such work on file in the office of the City Engineer of said city, and city specifications for the construction of cement gutters on file in the office of the City Clerk of said city, said specifications being numbered 8.

Fifth. For the construction of a cement gutter two and one-half (2½) feet in width along the easterly side of said

Auburn avenue from the north property line of Grand View avenue on the south to the south curb line of Carter avenue on the north, (except along such portions of said easterly side of said street where a cement gutter two and one-half (2½) feet in width has been constructed to the official line and grade and accepted by said city,) in accordance with the plans and profiles for such work on file in the office of the City Engineer of said city, and city specifications for the construction of cement gutters on file in the office of the City Clerk of said city, said specifications being numbered 8.

Sixth. For the construction of a cement gutter three and one-half (3½) feet in width along the westerly side of said Auburn avenue from the north property line of Grand View avenue on the south to the south curb line of Carter avenue on the north, (except along such portions of said westerly side of said street where a cement gutter three and one-half (3½) feet in width has been constructed to the official line and grade and accepted by said city,) in accordance with the plans and profiles for such work on file in the office of the City Engineer of said city, and city specifications for the construction of cement gutters on file in the office of the City Clerk of said city, said specifications being numbered 8.

Seventh. For the construction of a cement gutter three and one-half (3½) feet in width along the easterly side of said Auburn avenue from a point one hundred fifty (150) feet north of the north property line of Highland avenue on the south to the south property line of Grand View avenue on the north, (except along such portions of said easterly side of said street where a cement gutter three and one-half (3½) feet in width has been constructed to the official line and grade and accepted by said city,) in accordance with the plans and profiles for such work on file in the office of the City Engineer of said city, and city specifications for the construction of cement gutters on file in the office of the City Clerk of said city, said specifications being numbered 8.

Eighth. For the construction of a cement gutter five (5) feet in width along the easterly side of said Auburn avenue from the north property line of Highland avenue on the south to a point one hundred forty (140) feet north of the north property line of Highland avenue on the north, (except along such portions of said easterly side of said street where a cement gutter five (5) feet in width has been constructed to the official line and grade and accepted by said city,) in accordance with the plans and profiles for such work on file in the office of the City Engineer of said city, and city specifications for the construction of cement gutters on file in the office of the City Clerk of said city, said specifications being numbered 8.

Ninth. For the construction of a cement gutter five (5) feet in width along the westerly side of said Auburn avenue from a point two hundred six (206) feet north of the north property line of Highland avenue on the south to the south property line of Grand View avenue on the north, (except along such portions of said westerly side of said street where a cement gutter five (5) feet in width has been constructed to the official line and grade and accepted by said city,) in accordance with the plans and profiles for such work on file in the office of the City Engineer of said city, and city specifications for the construction of cement gutters on file in the office of the City Clerk of said city, said specifications being numbered 8.

Tenth. For the construction of cement concrete culverts along and across

said Auburn avenue, between said termini, where shown on the plans and profiles for such work, and in accordance with the number of the plan designated thereon, and in accordance with city specifications for the construction of cement concrete culverts on file in the office of the City Clerk of said city, said specifications being numbered 9.

Eleventh. For the construction of cement swales along and across said Auburn avenue, between said termini, at such places and of such dimensions as are shown on the plans and profiles for such work on file in the office of the City Engineer of said city of Sierra Madre, and in accordance with city specifications No. 7 on file in the office of the City Clerk of said city.

The said Board of Trustees of said City of Sierra Madre finds, upon estimates of the City Engineer of said city, that the cost of said proposed work or improvement will be greater than fifty (50) cents per front foot along each line of the said street so proposed to be improved as hereinbefore set forth including the cost of intersection work assessable upon said frontage, and said Board of Trustees determines that serial bonds shall be issued to represent the cost of said work or improvement; said bonds shall extend over a period ending nine years from and after the second day of January next succeeding the date of said bonds, and an even

annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after their date until the whole is paid; and the interest shall be payable semi-annually by coupon on the second days of January and July, respectively, of each year at the rate of seven (7) per cent per annum on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued in accordance with the provisions of an Act of the Legislature of the State of California entitled "An Act to provide a system of street improvement bonds to represent certain assessments for the cost of street work and improvement within municipalities, and also for the payment of such bonds," approved February 27, 1893, and of all acts supplementary thereto or amendatory thereof.

Bidders must file with each proposal or bid a check payable to the order of the President of the Board of Trustees, certified by a responsible bank, for an amount which shall not be less than ten percent of the aggregate of the proposals, or bond for the said amount, and so payable, signed by the bidder and two sureties, who shall justify before any officer competent to administer an oath, in double the said amount, and over and above all statutory exemptions

Sierra Madre, Cal., July 2, 1909.

Notice of Street Work

NOTICE IS HEREBY GIVEN, that on the 17th day of June, A. D. 1909, the Board of Trustees of the City of Sierra Madre adopted an Ordinance declaring its intention to improve a portion of Lima Street in said City of Sierra Madre in the manner following to-wit:

First: That said Lima Street from the intersection of Live Oak Avenue on the south to a point one thousand two hundred ten (1210) feet north of the north property line of Grand View Avenue on the north, including all intersections, (except such portions of said street and intersections as are required by law to be kept in order or repair by any person or company having railroad tracks thereon, and also except such portions of said street and intersections as have already been graded to the official line and grade, oiled and accepted by said city), be graded and oiled in accordance with the plans and profiles for such work on file in the office of the City Engineer of said city, and city specifications for the grading and oiling of streets on file in the office of the City Clerk of said city, said specifications being numbered 10.

Second: That a cement curb be constructed along both sides of said Lima Street from the north curb line of Live Oak Avenue on the south to a point one thousand two hundred ten (1210) feet north of the north property line of Grand View Avenue on the north, (except along such portions of said street between said termini where a cement curb has been constructed to the official line and grade and accepted by said city), in accordance with the plans and profiles for such work on file in the office of the City Engineer of said city and city specifications for the construction of cement curbs on file in the office of the City Clerk of said city, said specifications being numbered 2.

Third: That a cement gutter two and one-half (2½) feet in width be constructed along the westerly side of said Lima Street from the north property line of Live Oak Avenue on the south to a point four hundred fifty-five (455) feet north of the north property line of Live Oak Avenue on the north, (except along such portions of said westerly side of said street where a cement gutter two and one-half (2½) feet in width has been constructed to the official line and grade and accepted by said city), in accordance with the plans and profiles for such work on file in the office of the City Engineer of said City, and city specifications for the construction of cement gutters on file in the office of the City Clerk of said city, said specifications being numbered 8.

Fourth: That a cement gutter two and one-half (2½) feet in width be constructed along the westerly side of said Lima Street from the north property line of Grand View Avenue on the south to a point one thousand two hundred ten (1210) feet north of the north property line of Grand View Avenue on the north, (except along such portions of said westerly side of said street where a cement gutter two and one-half (2½) feet in width has been constructed to the official line and grade and accepted by said city), in accordance with the plans and profiles for such work on file in the office of the City Engineer of said City, and city specifications for the construction of cement gutters on file in the office of the City Clerk of said City, said specifications being numbered 8.

Fifth: That a cement gutter two and one-half (2½) feet in width be constructed along the easterly side of

said Lima Street from the north property line of Central Avenue on the south to a point one thousand two hundred ten (1210) feet north of the north property line of Grand View Avenue on the north, (except along such portions of said easterly side of said street where a cement gutter two and one-half (2½) feet in width has been constructed to the official line and grade and accepted by said city), in accordance with the plans and profiles for such work on file in the office of the City Engineer of said City, and city specifications for the construction of cement gutters on file in the office of the City Clerk of said City, said specifications being numbered 8.

Sixth: That a cement gutter three and one-half (3½) feet in width be constructed along the westerly side of said Lima Street from the north property line of Central Avenue on the south to the south property line of Grand View Avenue on the north, (except along such portions of said westerly side of said street, where a cement gutter three and one-half (3½) feet in width has been constructed to the official line and grade and accepted by said city), in accordance with the plans and profiles for such work on file in the office of the City Engineer of said City, and city specifications for the construction of cement gutters on file in the office of the City Clerk of said city, said specifications being numbered 8.

Seventh: That a cement gutter three and one-half (3½) feet in width be constructed along the easterly side of said Lima Street from the north property line of Manzanita Avenue on the south to the south property line of Central Avenue on the north, (except along such portions of said easterly side of said street where a cement gutter three and one-half (3½) feet in width has been constructed to the official line and grade and accepted by said city), in accordance with the plans and profiles for such work on file in the office of the City Engineer of said City, and city specifications for the construction of cement gutters on file in the office of the City Clerk of said city, said specifications being numbered 8.

Eighth: That a cement gutter five (5) feet in width be constructed along the westerly side of said Lima Street from a point four hundred seventy (470) feet north of the north property line of Live Oak Avenue on the south to the south property line of Central Avenue on the north, (except along such portions of said westerly side of said street where a cement gutter five (5) feet in width has been constructed to the official line and grade and accepted by said city), in accordance with the plans and profiles for such work on file in the office of the City Engineer of said City, and city specifications for the construction of cement gutters on file in the office of the City Clerk of said City, said specifications being numbered 8.

Ninth: That a cement gutter six (6) feet in width be constructed along the easterly side of said Lima Street from the north property line of Live Oak Avenue on the south to the south property line of Manzanita Avenue on the north, (except along such portions of said easterly side of said street where a cement gutter six (6) feet in width has been constructed to the official line and grade and accepted by said city), in accordance with the plans and profiles for such work on file in the office of the City Engineer of said City, and city specifications for the construction of cement gutters on file in the office of the City Clerk of said City, said specifications being numbered 8.

Tenth: That cement concrete culverts be constructed along and across said Lima Street between said termini

where shown on the plans and profiles for such work and in accordance with the number of the plan designated thereon and in accordance with city specifications for the construction of cement concrete culverts on file in the office of the City Clerk of said city, said specifications being numbered 9.

That the said Board of Trustees of the City of Sierra Madre finds, upon estimates of the City Engineer of said City, that the cost of said proposed work or improvement will be greater than fifty (50) cents per front foot along each line of the said street so proposed to be improved as hereinbefore set forth, including the cost of intersection work assessable upon said frontage, and said Board of Trustees determines that serial bonds shall be issued to represent the cost of said work or improvement; said serial bonds shall extend over a period ending nine years from and after the second day of January next succeeding the date of said bonds, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year

after their date until the whole is paid; and the interest shall be payable semi-annually by coupon on the second days of January and July, respectively, of each year at the rate of seven (7) per cent per annum on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued in accordance with the provisions of an Act of the Legislature of the State of California entitled "An Act to provide a system of street improvement bonds to represent certain assessments for the cost of street work and improvements within municipalities, and also for the payment of such bonds," approved February 27, 1893, and of all acts supplementary thereto or amendatory thereof.

And which said ordinance is known and designated as Ordinance No. 96 of Ordinances of said City, to which said Ordinance reference is made for further particulars.

afforded for the putting on of amateur dramatic entertainments.

Building Association's Work

Much of the work of the ladies in their building project is familiar to the public. The building is owned by the Sierra Madre Woman's Club Building Association, a corporation of which Mrs. George H. Letteau is president, and the ladies unite in giving her credit for being the guiding genius of the entire enterprise. She has labored early and late working out details of finance or building plans. Stock in the building association is owned by individual members of the club and by others interested in having the project brought to a successful culmination.

Very fittingly, the Woman's Club is the largest single stockholder in the building association. Funds for the purchase of stock have been raised through entertainments and other activities of the ways and means committee, of which Mrs. W. J. Lawless is chairman. At present the Club owns nearly eighty shares of stock, acquiring more from time to time as funds can be secured.

Woman's Club Very Strong

Membership in the Woman's Club is held by more than 100 ladies. Its meetings provide literary and social entertainment of the highest class. Speakers of wide repute are brought here to talk upon subjects of literary, economic or general interest. The facilities afforded for the work of the club in the new building will doubtless give the club a great impetus forward.

The membership roll is as follows:

Mrs. W. S. Andrews, Mrs. B. W. Andrews, Mrs. C. H. Baker, Mrs. W. A. Bowen, Mrs. Minnie B. Brownson, Mrs. H. Blatz, Miss M. C. Brandt, Miss Emma Bicknell, Miss Emily Brugman, Mrs. W. F. Brugman, Mrs. C. E. Bentham, Mrs. W. E. Bechtelheimer, Mrs. E. J. Bourne, Mrs. F. D. Burch, Mrs. E. M. Brooks, Mrs. M. A. Copps, Mrs. George Crow, Mrs. E. M. Crisp, Mrs. O. M. Cadwell, Mrs. E. M. Curtis, Mrs. E. W. Camp, Mrs. W. P. Caley, Mrs. G. E. Coapman, Mrs. L. L. Clark, Mrs. F. P. Conard, Mrs. S. C. Collins, Mrs. C. Costello, Mrs. A. M. Churchill, Mrs. M. Campbell, Mrs. J. M. Campbell, Miss Mae Campbell, Miss A. B. Coffey, Miss J. Climie, Miss M. Climie, Miss G. Cook, Miss M. Cooper, Mrs. L. Dietz, Mrs. J. C. Dickson, Mrs. S. E. Davis, Mrs. M. Entwistle, Mrs. W. A. Evans, Mrs. Etta Ferry, Mrs. H. G. Flint, Mrs. M. D. Goodfellow, Mrs. C. F. Gray, Mrs. J. J. Graham, Miss T. Graham, Mrs. N. H. Hosmer, Mrs. M. Holahan, Mrs. E. A. Hoffman, Mrs. W. F. Hatfield, Mrs. K. Holmes, Mrs. George Humphries, Mrs. John Hart, Mrs. Howard Hill, Miss Alma Jones, Mrs. C. W. Jones, Mrs. N. A. Jenney, Mrs. S. Keyes, Mrs. C. S. Notice of Street Work

(Continued from Page 2.)

That the Board of Trustees of the City of Sierra Madre finds, upon estimates of the City Engineer of said city, that the cost of said proposed work or improvement will be greater than fifty (50) cents per foot along each line of the said street so proposed to be improved as hereinbefore set forth, including the cost of intersection work assessable upon said frontage, and said Board of Trustees determines that serial bonds shall be issued to represent the cost of said work or improvement; said serial bonds shall extend over a period ending nine years from and after the second day of January next succeeding the date of said bonds, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after their date until the whole is paid; and the interest shall be payable semi-annually by coupon on the second days of January and July, respectively, of each year at the rate of seven (7) per cent per annum on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued in accordance with the provisions of an Act of the Legislature of the State of California entitled "An Act to provide a system of street improvement bonds to represent certain assessments for the cost of street work and improvements within municipalities, and also for the payment of such bonds" approved February 27, 1893, and of all acts supplementary thereto or amendatory thereof.

And which said ordinance is known and designated as Ordinance No. 98 of Ordinances of said City, to which said Ordinance reference is made for further particulars.

F. C. LEHMER,

Superintendent of Streets for the City of Sierra Madre.

Sierra Madre, Cal., July 3, 1909

PLEASANT EVENING PARTY

On Monday evening Mrs. Davis and her niece, Miss Lila Corwin, entertained a party of friends at their home on Auburn avenue. Misses Clara and Alice and Messrs. Harold and Ben Corwin came out from Los Angeles to enjoy the evening with their sister. Games were played throughout the evening, followed by refreshments consisting of ice cream and cake. Following this was a diversion in the way of a mock trial on a breach of promise charge brought against Mr. Dale Bowen by Miss Lila Corwin. Miss Corwin won her case. The guests were Mrs. J. M. Campbell, Miss Campbell, Miss Grace Tower, Mrs. Wagner and two daughters, Misses Isabel and Flora, Miss Emma Pell, Beattie, Lamphara, Mrs. Kenne, Ruby and Olive Wright, Florence, Vera and Dorothy Berryhill and Miss Mary Morrison of Monrovia; Rev. Mr. Dexter, Messrs. Tower, Dale and Roy Bowen, William Brockhausen, Bismarck, Williams, Tucker, Wright, and Messrs. Thomas Bradbury and Edward Morrison of Monrovia.

Order your coal now so we may deliver off the car and save you drayage. Sierra Madre Feed & Fuel Co.

Have the News follow you with the news when you go away for the summer vacation.
